

WP7

Tasks

Read Chapter 5 of R For Data Science. This book happens to be an excellent reference for many R related tasks.

Answer the following exercises from the chapter.

5.2.4

Exercise 1:1-7

5.5.2

Exercises 1-4

5.6.7

Exercises 4, 5 (not the challenge part), and 6.

5.7.1

Exercises 2-3,7. For exercise 2, consider the metric as mean arrival delay and only look at planes with at least 20 flights. For exercise 3, consider time of day as the hour of the day.
